MEMORANDUM FOR: Deputy Director for Support

THROUGH : Director of Personnel []
SUBJECT : SDS Demonstration at Rutgers
University - 31 January 1967

21 JAN 1967

1. This memorandum is for the information of the Deputy Director for Support.

2. [] telephoned from the Rutgers campus at Newark, New Jersey at 1720 hours today to report on the SDS demonstration.

3. He said that it was a very quiet demonstration with approximately ten SDS picketers being outnumbered, in fact, by Newark City Police and students passing out anti-demonstration literature. This is the first instance of anti-SDS counter-demonstrations; the literature identified the SDS as an organization that was attempting to split academic faculty and students and it argued, as I got it on the telephone:

DON'T LET HAPPEN HERE WHAT HAPPENED AT
BERKELEY

4. [] will forward a written report with literature attachments when he returns to his home this evening. Copies of this memorandum have been furnished the Director of Security and the Assistant to the Director []
